

Technical Information

Delkor U1-280 is a premium quality maintenance-free battery designed for use in a wide variety of ride-on mowers, garden tractors and light industrial applications.

The superior construction quality includes the latest PowerFrame plate technology, vibration resistance and sustained high cranking power for years of reliable, trouble-free starting power.

Features and Benefits

- Patented PowerFrame plate construction
- Calcium-calcium maintenance-free
- Unique high density active material on plates
- Built in hydrometer
- Flame arrestors on vents
- Excellent charge retention
- High strength polypropylene case

Applications

Ride on Mowers
Farm Utility Vehicles
Stationary Engines
Light Vehicles
Motive & Light Propulsion

Technical Specifications

Battery Type:	Sealed maintenance-free	Container Material / Colour:	Polypropylene / black
Voltage:	12 V	Lid Type / Colour:	Sealed / Black
Capacity (@20hr rate):	26ah	Plate Type:	Lead-calcium
Cold Cranking Amps -18°C, SAE:	280	Separator Type:	PE Envelope
Reserve Capacity:	33 minutes	Anti-Vibration:	Yes
Overall Dimensions:	L 197 x W 132 x H 186 *	Assembly Layout:	1 RH Positive
Battery Weight:	7.76 kg	BCI Group:	U1
