LED WORKSHOP LAMPS

ROADVISION's RHL303000 Series LED floor workshop lamp and powerbank has your home, travel and workshop covered. With a high powered 3000lm flood lamp output, the RHL303000 Series produce super white light, close to daylight - perfect for automotive maintenance, use in the workshop, outdoors, and more. With a run time of up to 25 hours and 180° folding base, the RHL303000 Series allow you to take control of where and when you need the light. With the added advantage of the integrated powerbank you have back up power for all USB charged devices.
