

PREDATOR

Date generated: 21/07/2026

PMF70ZZL

Features and Benefits

- Designed and built for recreational and leisure applications
- Sealed Maintenance Free Battery
- Built-In SOC Hydrometer
- High-strength Polypropylene case

Product details

- | | |
|---|--------------------------------|
| ○ 12V Calcium Starting Battery | ○ Cold Cranking Amps [A] - 750 |
| ○ Not suitable for ISS (Idle Stop Start) applications | ○ Length [mm] - 304 |
| ○ Assembly - RH Positive [- +] | ○ Width [mm] - 172 |
| ○ Voltage [V] - 12 | ○ Height [mm] - 225 |
| ○ Battery Type - Maintenance free | ○ Terminal Type - SAE |
