

BLUETTI Elite 400

Portable Power Station

Elite Series

High-Capacity Home Backup — Ready to Roll

2,600 W | 3,840 Wh

What Sets the Elite 400 Apart

A1 Batterypro
www.a1batterypro.com.au

Massive Power, Built for More

3,840 Wh capacity. 2,600 W output, with bursts up to 3,900 W in Power Lifting Mode. Powers movie nights, morning coffee, or essential devices during an outage. With 7 device ports, Elite 400 delivers reliable energy for daily life, home backup, and weekend adventures alike.

TV (85 W)	Refrigerator (1 kWh / Day)	~~Microwave~~ (1,000 W)	Rice Cooker (1,200 W)	Hair Dryer (1,300 W)	Dishwasher (1,600 W)	Ice Maker (1,000 W)	Coffee Maker (1,100 W)
33.5 Hours	**78.8** Hours	**3.2** Hours	**2.7** Hours	**2.5** Hours	**2** Hours	**3.2** Hours	**2.9** Hours

Big Power, Easy Moves

Gliding wheels, a telescopic handle, and sturdy side grips make Elite 400 effortless to move. Packing 3.8 kWh into the lightest design in its class, it's simple to roll across a room, load into a car, or reposition outdoors.

Shock-Absorbing Wheels

Telescopic Handle

Charge Fast, Stay Ready

Charge to 80% in just 70 minutes with 2,800 W AC + solar input. Whether on the go or prepping for an adventure, Elite 400 gets you ready fast. Stay solar-powered during outages or off the grid, with endless energy whenever you need it.

Always-On Backup, No Interruptions

Elite 400 reacts in just 15 ms, switching instantly when the grid goes off. Your Wi-Fi stays online, cameras keep recording, and essential devices run without disruption. A smooth, invisible handover that keeps daily life uninterrupted.

Efficiency That Lasts

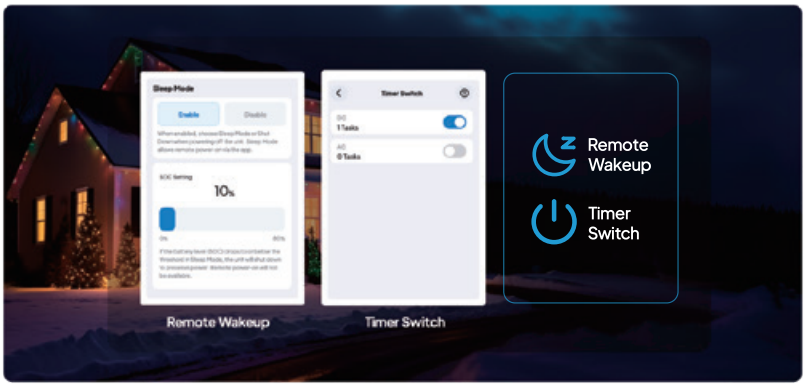

Standby use is trimmed down to only 3 W. With intelligent power management, every watt is stretched further day or night, active or idle. Less waste, longer life, and more energy saved for what matters.

Note: With AC on, the self-consumption is 12 W.

Smart Control, Effortless Living

With the BLUETTI app, the Elite 400 is always in your hands. Wake it from Sleep Mode to power your devices, or put it back to sleep to save energy. Set schedules so it automatically powers lights, A/C, heaters, and more exactly when you need them. Easy, flexible, and built to make everyday life more convenient.

Specifications

	Elite 320	Elite 400
Capacity	3,200 Wh	3,840 Wh
Rated Power	1,800 W	2,600 W
Lifting Power	2,700 W	3,900 W
Battery Type	$LiFePO_4$	$LiFePO_4$
Warranty	5 years	5 years
Multiple Outlets	2 × AC outlets (1,800 W total) 2 × 15 W USB-A (30 W total) 1 × 100 W USB-C 1 × 140 W USB-C 1 × 120 W Cigarette lighter port 2 × DC5521 port (96 W total)	2 × AC outlets (2,600 W total) 2 × 15 W USB-A (30 W total) 2 × 100 W USB-C 1 × 120 W Cigarette lighter port
AC Input	1,440 W Max.	2,300 W Max.
