

## Technical Information

The Delkor N100L is a N100 size sealed maintenance free starting battery. The N100L is a heavy duty, commercial battery ideal for hardworking applications like agriculture, earthmoving, transport etc. The unrivalled quality of Delkor has seen their Korean manufacturing facility awarded 1st place in the coveted Korean Excellence In Manufacturing Award for 12 consecutive years (2006-2017).

## Features and Benefits

- Specially designed plates for increased durability in severe service applications
- Anti-vibration
- Calcium-Calcium Lead plates with high tin content
- Unique high density active material on plates
- Built in hydrometer
- Heat sealed leak proof cover
- Patented liquid & gas separators to prevent electrolyte loss
- Flame arrestors on vents
- Low resistance envelope separators
- High strength polypropylene case

### Applications

Severe service applications
Earth Moving
Heavy Haulage
Long-Haul transport
Agriculture
